Maybe the way I wrote this message looked too formal and lacks true remorse?

Ah??

Want to go somewhere with me tomorrow?

So.. if you and Yui come with us, it can be a double date!

Actually, two days ago, one of the girls from the group date wanted to meet me again, one on one...

18

You idiot! Trying to make me do something that Asahina is not gonna like...
again...

Oh.. is that right!?

Going out? I thought you were staying home with your girl-friend?

That's at night! During the day, I gotta have fun!

It's Christmas, the most important holiday of the year. You want to be worrying about a text message...?

Fine then, tomorrow you can wait for your precious phone call. Wait all day long, you idiot!

....and spend it BY YOUR SELF!??

What if she calls me when we are "having fun"?

Stop that..

So.. come on... feel better now.. Let's all go have fun!

Ok?

It's all friends there, Suzuka won't be mad.

No way.. no way...

I am telling you....

Whatever... It's decided then... meet at the station at 8 a.m. and don't be late!

MOOORRN-INGS!

You guys are here early!

Very excited huh?

Feeling good here, can't let the girl wait right?

So...

I came anyways....

Couldn't stand the loneliness and boredom...

So he ended up here....

To be continued.....
